

[Letter from John A. Lomax to Harold Spivacke]

Port Aransas, Texas 3/4/ 19 39

Dear Mr. Spivacke:

Can you estimate, approximately, when you will be able to ship the machine to me? Several of my correspondents are enquiring about the dates on which they may expect me. It would simplify my problems to be able to name some probable time.

I dislike to add one burden to an overworked man. If there is nothing to say at the moment, file this letter in the "archives of gravity."

Sincerely yours, John A. Lomax
